Title of Project

Project Description (300 chars max)

I designed a humane bug remover by using sounds at very low frequencies to hush bugs near an exit.

Link to project abstract (PDF and must be viewable by all)

Is this a continuation of a past project? No Yes

Does project relate to Indigenous Knowledge? No Yes

Considering the month of Ramadan, we are offering lunch in take-out containers for students to take home to eat later. Please indicate if you would like to take your lunch home in a take-out container.

I will eat my lunch at the University

I would like to take my lunch home in a take out container

Thanks, but I won't need a lunch that day

I/We confirm that the work presented in this project is the result of my own (and my partner's) efforts. Assistance received from others, including teachers, mentors and artificial intelligence assisted technologies, will be identified as such and acknowledged. I will appropriately reference all written information that draws on the work of others. No Yes
